- Delete expense

Tap this area to open top expense list page

This area is summary for today

ADD INCOME

From the home page click income button. This page displays:

The image shows two screenshots of a mobile application interface for managing income.

Left Screenshot (Main Income Screen):

- Header: **Income** with a **BACK** button.
- Primary Action: A large green button labeled **Add Income**.
- Summary: **Income This Month = 305,000**
- Recent Transactions:
 - 2013-01-12 Income Other 5,000
 - 2013-01-01 Income Net-Income 300,000

Right Screenshot (Add Income Dialog):

- Header: **Add Income** with a **BACK** button.
- Category/Subcategory: A dropdown menu showing **Income** and **Net-Income**.
- Date: A date picker showing **2013 Jan**.
- Calendar: A calendar view for January 2013, with the date **12** selected.
- Details: A text input field for additional information.
- Values: A text input field for the amount.
- Buttons: **Save** and **Cancel** buttons.

Annotations:

- A box on the left says: "Tap this button to open dialog like the picture display on the right." with an arrow pointing to the **Add Income** button on the main screen.
- A box at the bottom right says: "Tap this button to add income." with an arrow pointing to the **Save** button in the dialog.

ADD EXPENSE

From the home page click expense button. This page displays:

Tap this button to open dialog like the picture display on the right.
